

Vizonix media kit

A free weekday morning briefing on AI tools, bots, models, and resources that make a specific business more profitable. Aviation first.

The aviation briefing is written for airlines, MROs, parts suppliers, operators, and maintenance and AOG teams.

Tyler Shewmake, founder of AOG Alerts and MRO List, with a career around MROs and AOG desks, publishes Vizonix.

Formats

Primary sponsor: Top of every issue that week, logo plus about 100 words plus 2 calls to action, plus a permanent listing in the web archive. Launch price \$300 per week. Founding price \$150 per week.

Secondary: Mid-issue, about 50 words, 1 call to action. Launch price \$175 per week. Founding price \$90 per week.

Classified / Quick link: Bottom of the issue, about 25 words, 1 link. Launch price \$100 per week. Founding price \$50 per week.

Featured tool listing: Sponsored card in the section tool directory for 30 days. Launch price \$150 per month. Founding price \$75 per month.

The rate card also lists a section site banner at \$100 per week (founding \$50) and a bundle at \$500 per week (founding \$250).

Founding pricing is half the launch price, locked for 3 months, capped at 10 founding sponsors total across products.
